The thalassotherapy center of the Thermes Marins de Saint-Malo is just a few minutes away: take advantage of this proximity to discover the thalassotherapy for a day or a week and the Aquatonic Course.

Tourism

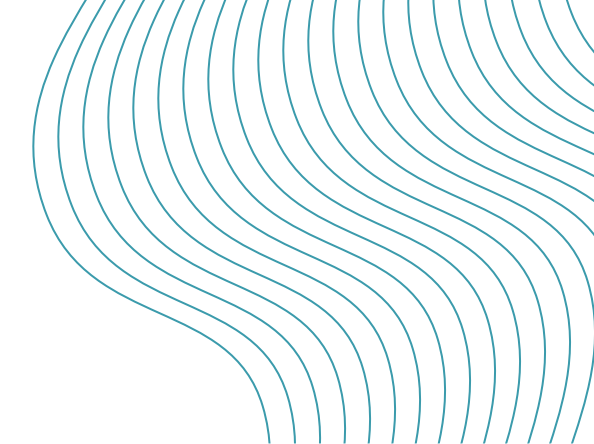

Take the time to discover Saint-Malo. The corsair city, known for its ramparts and its great cultural and maritime events, is one of the most visited cities in Brittany.

You will travel through time by exploring the privateers' residences such as the house of Asfeld, the malouinières, or the national fort and will take advantage of great nature walks

towards the islands of Grand Bé and Petit Bé, the city of Alet and the surroundings.

You will stroll through the narrow streets of the old town and discover stores and restaurants open all year round. Nearby, Dinard, Dinan, Cancale and the Mont-Saint-Michel will surprise you.

Activities

Take advantage of your stay to enjoy all the sensations and discover sports and leisure activities: paddle, windsurfing, sand yachting, hiking on the GR34, golf, fishing, horseback riding, diving, sea trips on an old sailing ship...

With our activity passes, you will benefit from preferential rates on many activities: gyrofoil rides, water sports, golf, Grand Aquarium, Bour-bansais zoo, Cobac Parc,...
